

Iowa Angus Auxiliary Scholarship Information

The Iowa Angus Auxiliary scholarships are presented annually. Three (3) scholarships will be awarded. We will award scholarships to the top boy and top girl qualified applicants in the amount of \$600 each, and one scholarship in the amount of \$300 to an alternate, either a boy or a girl. The application deadline is **April 1**, of the current scholarship year. Scholarships may be defined as financial grants for which no equivalent work is required.

Each state Angus Auxiliary is entitled to submit one girl and one boy application for the national scholarships. The two applications must be submitted by the state or regional scholarship chairperson to the American Angus Auxiliary Chairperson. The recipients will be announced at the National Junior Angus Show in July.

The application for the Iowa Angus Auxiliary Scholarships is the same application that the American Angus Association uses and is available online at: www.angusauxiliary.com. Interested Junior Angus members may download the application, access directions and general information from there. The post-mark for applications to our state chairperson is April 1. Additional questions about the Iowa Angus Auxiliary scholarships can be directed to our chairperson listed below. Please send completed applications by April 1 to:
