SELLING 110 LOTS

64 Spring Yearling bulls

The cream of the crop from Iowa's leading breeding programs. Most of these bulls will be sired by the breed's most highly sought AI sires. Each sells with individual performance scrotal measurement, growth and carcass EPDs as reported on *AHIR*.

15 Mature Bulls

Fall yearling and coming two year olds sell with complete data, semen evaluation, and ready for heavy service.

20 Heifer Calves

The "Keepin' Kind". Outstanding herd replacements and potential show heifers, many suitable for competition on a national level.

4 Bred Heifers

Heavy in calf and suitable for the most discriminating Angus entrepreneur. All bred to outstanding AI Sires!

7 Embryos

Some of the best genetics Iowa has to offer. Packages offered will fit any cattlemens program.
