

Hello Fellow Angus Enthusiasts:

I would like to share a recent event from the Iowa Angus Association that took place in Central Iowa. The Iowa Angus Tour 2020! Wow what an exciting time had by all with a crowd just shy of 180 people in attendance to enjoy awesome hosts along with some of the great Angus herds in our State. Yes the weather was just about as one would have ordered and with Covid-19 on everyone's minds these days these public events are unnerving to organize but with the guidance and procedures set by our Governor Kim Reynolds, we were able to have a very successful and fun event. Guests came from states near and far, representing Michigan, Texas, Oklahoma, Minnesota, Nebraska and Missouri. The mood on the tour was uplifting and made a weekend with an overwhelming positive atmosphere. I would like to thank the Iowa Angus Association, all who attended, all sponsors and speakers and a huge thanks to our hosts for providing excellent cattle to view, excellent food and fellowship to enjoy.

Thank you,

Pat Burns

Iowa Angus Tour Chairperson.
