

IOWA ANGUS SUMMER SHOWS

JUNE 18-20, 2021

JUNIOR SHOW

A. Eligibility of Exhibitors and Entries

1. Exhibitor's birthdate must be from January 1, 2000 through December 31, 2013 and must be a Junior, Regular or Life Member of the American Angus Association.
2. Exhibitors in the Bred-and-Owned Categories must be the breeders and the first and continuous owner of the animal entered. "Breeder" is defined as the recorded owner of the dam at the time of service. "First Owner" is defined as the recorded owner of the dam at the time the calf is born.
3. The name listed on the entry form as exhibitor must also be listed on the animal's registration certificate as "Owner". Joint ownership, provided the name and member code of the exhibitor is listed as 'breeder' and 'first owner' on the registration certificate.
4. All animals must be registered and transferred to the exhibitor prior to June 1, 2020. Date of issue of the registration certificate must be prior to June 1, 2020. Original registration papers must be present at check-in.
5. **The entry fee of \$20 per head is needed by June 7th, 2021 to Tricia Holmes, 1424 220th Street, Benton, IA 50835. A Stalling fee of \$15 per head will also need to be submitted. If a junior wishes to enter into the open show, they will need to submit an additional \$5. Substitutions will be allowed. \$25 will be assessed for late fees.**
6. Current health certificates are required on all animals for exhibition, as outlined by the Animal Health Division of the Iowa Department of Agriculture.

B. Show Categories

1. There will be classes for bred-and-owned bulls, bred-and-owned heifers, heifers owned but not bred by exhibitor, steers and cow/calf pairs with bred-and-owned heifers, heifers owned but not bred by exhibitor, steers and cow/calf pairs with bred-and-owned calves. Champions will be selected in each category. There will be no Overall Champion.
2. Entries will be listed in the catalog in order of age (youngest to oldest), and will be led into the showing in order of catalog number.
3. Classes will be made up after cattle have been checked in at the show with no more than 15 head in any class. Classes will not be named, but should fall close to the Standard Classification in age breakdown.
4. Division champions in the respective categories will be named. (i.e., calf, intermediate, junior yearlings, and senior yearlings).
5. Show Classifications for heifers: September 1, 2019 and younger.
6. Show classifications for bulls and steers: January 1, 2020 and younger.
7. Any cow/calf pair may be exhibited provided the calf is bred-and-owned by the junior exhibitor and the following rules are met.
 - I. Cow must be bred-and-owned or solely owned by the exhibitor. If the cow was not bred by the exhibitor, the issue date on the recorded transfer of the cow must precede the breeding date of the cow for the calf at side.
 - II. Calf must be the cow's most recent natural calf and must have been born on or after September 1, 2020.
 - III. Calf must be registered by show date.
 - IV. There will be separate division for Bred-and-Owned vs. Owned Cow/Calf Pairs.

V. Futurity Show: Eligible heifers are those that were nominated by their consignor at the Iowa Beef Expo. Any junior member is eligible even out of state juniors. \$1000 will be up for grabs for this show!

C. Fitting and Show Guidelines

1. Each entry must be shown by its owner. If an owner cannot show his/her own animal permission must be obtained from the Advisors of the Iowa Junior Angus Association.
2. Exhibitors are to maintain full possession of their entries (family possession permissible) from the ownership deadline through the final day of the show.
3. Only one person will be allowed to lead each entry in the showing.
4. Any exhibitor who loses control of his/her entry more than twice in the showing will be asked to remove the animal from the ring.

5. Bulls 6 months of age or older must be shown with a nose lead.
6. All entries are subject to Part 3, Section IX of the American Angus Association's Rules entitled 'Eligibility, Conformation, and Structure of Animals Presented for Exhibition'. This includes the Association's mousing program to verify the age classification of animals in the show.
7. Under the Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE AND BLOOD TYPE as covered under Association Rules Part 3, Section II, Rule 2 (F). Staff of the American Angus Association must supervise the collection of blood samples.

If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook and the registration certificate become null and void.

Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited.

The Iowa Angus Association has adopted American Angus Association Rule that states that no color will be allowed on the grounds of the show.

This includes the use of graphite, powders, hemp or other similar substances externally, and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. FDA approved implants may be used in steers.

Any animal upon check-in which does not have a legible tattoo corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.

Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook and the registration certificate becomes null and void.

Each exhibitor is responsible for having his/her animal(s) presented in its natural conformation and structure without alteration or modification, except for the grooming of hair and hooves. The exhibition of cattle displaying false tailheads will not be allowed. Painting of skin and surgical alteration of an animal's conformation or appearance is prohibited.

Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally, and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. FDA approved implants may be used in steers.

Any animal upon check-in which does not have a legible tattoo corresponding to its registration certificate is ineligible to show.

Once disqualified due to and incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.

REMEMBER: Bring your original registration certificates and be certain that all tattoos are correct and legible. If tattoos are incorrect and illegible, the animal will not be allowed to show! If you have any tattoo or registration problems contact Member services at 816-383-5100 with the American Angus Association.
